

Financial Advisory Firms

**The more known your fund is,
The more investors you get,
The more valuable your fund becomes.**

WE'RE HERE TO GET YOU KNOWN.

As a financial advisory firm, your funds and portfolios are competing with millions of others from around the world. Sometimes to stand out in the crowd, an excellent product isn't enough.

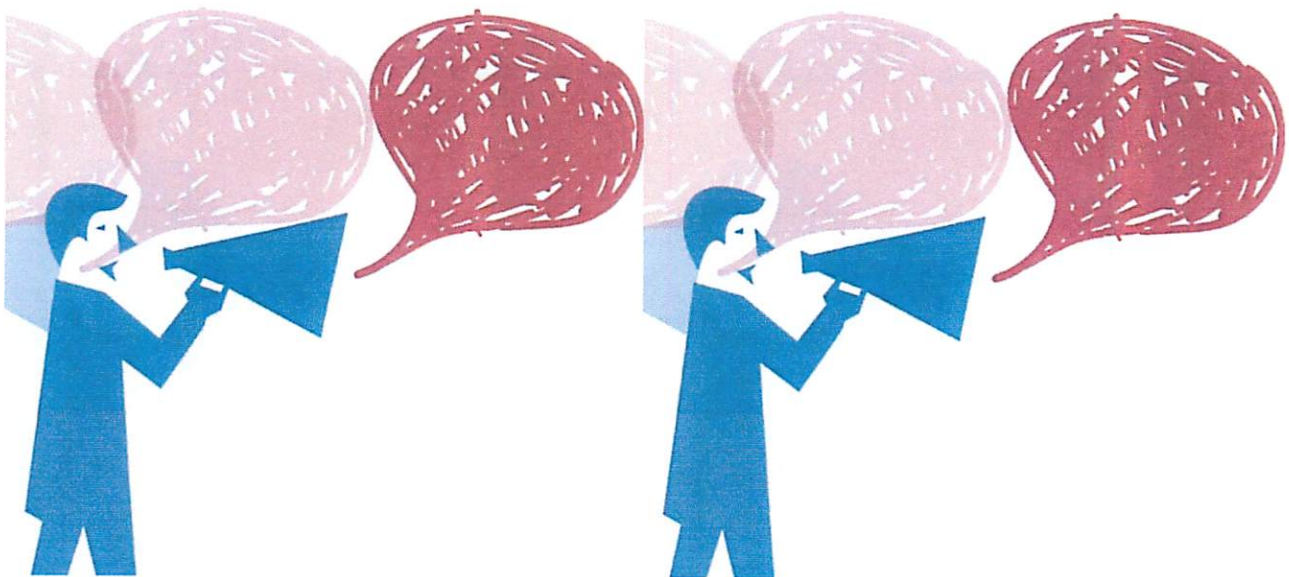

Pristine Advisers is here to help. With over 33 years of IR, PR and Media experience specific to the finance industry, our wealth of knowledge, network and experience can help your firm achieve

exceptional results. **You have great financial products, we want the world to know about them.**

How we can help

We create awareness. Pristine Advisers offers custom packages specifically tailored to the individual needs of your organization.

Choose from a combination of services from our Financial Advisory Firm Marketing Packages including:

Financial Advisory Firms continued

Media

Pristine Advisers can help increase a fund's awareness through the organization and facilitation of:

- Interviews in key financial publications
- Press release creation and distribution
- TV Contacts for interviews

Social Media

Social media networks are experiencing explosive growth in how people share and discover their news and new products. Pristine Advisers can help build a social media awareness through the following methods:

- Create social media pages in all relevant social networks
- Create Community and Research our Clients Needs
- Publish Pre-Approve Social Messaging
- Automatic Archiving of Social Media Messages
- Redistribution of articles
- Sharing of blogs
- Generate inbound traffic
- Create social media "buzz" through discussion and commenting on posts

IR Services

Happy investors make for a healthy fund. At Pristine Advisers, we help our clients keep their investors fully engaged and up-to-date on the success of your

fund and their money. A sample of our IR services to engage investors include:
